## Tips for waste removal

## Fly-tipping is the illegal dumping of waste.

It's a crime that damages the environment, risks public health and costs taxpayers to clean up.

## Householder responsibilities

You could face an unlimited fine if your rubbish is found fly-tipped – even if you didn't do it yourself.

You must use a licensed waste carrier to dispose of waste, or take it to a household waste recycling centre (hants.gov.uk/recyclingcentres).

## Using a licensed waste carrier

- Check if your waste carrier is licensed. You can do this quickly with their name or licence number at hants.gov.uk/fly-tipping.
- Ask what will happen to your waste. A licensed waste carrier should not object to this.
- 3. Keep a record of their waste carrier licence number by taking a photo of the licence, or take a screenshot when you check online.
- **4.** Keep a waste transfer note or receipt to say where the waste was collected from, by who, and where it is going.
