

## **Grant Awarding Policy & Procedure**

### **INTRODUCTION**

A grant is any payment made by the Parish Council to an organisation for a specific purpose that will benefit the Parish, or residents of the Parish, and which is not directly controlled or administered by the Parish Council.

The Parish Council is legally able to make grants to the community under the General Power of Competence which permits councils “to do anything individuals generally may do as long as they do not break other laws”. The Parish Council is also legally able to make grants to registered charities under Section 137 of the Local Government Act 1972 which states that donations can be spent for the benefit of part or all of the community but not an individual, and that grants must be commensurate to the benefit, representing value for money and being fairly distributed. The Parish Council makes provision for awarding grants within its annual budget.

In all cases the following shall apply:

### **POLICY**

The Parish Council awards grants, at its absolute discretion, to not-for-profit, charitable or volunteer organisations or worthy causes which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- Providing a service
- Enhancing the quality of life
- Improving the environment
- Promoting the Parish of Hound in a positive way

#### **\*The Parish Council will NOT award grants to:**

- Private individuals
- Commercial organisations
- Purposes for which there is a statutory duty upon other local or central government departments to fund or provide unless such duty is devolved to the community or local level by agreement
- “Upward funders”/ “Uploaders” i.e. local groups where fund raising is sent to a central HQ for redistribution
- Political parties
- Religious organisations unless for a purpose which does not discriminate on grounds of belief
- Any organisation which in the view of the Parish Council has racist, extremist or other policies which the Parish Council deems to be unacceptable
- Publicise or promote any organisations

This list is not exclusive and may be added to at the council’s discretion.

Only one application for a grant will be considered from an organisation in any one financial year. Ongoing commitments to award grants in future years will not be made. A fresh application will be required each year. This will be at the discretion of the council.

Grants will not be made retrospectively or be made once work on a project has already commenced.

## **GRANT APPLICATION PROCEDURE**

The Clerk to the Council will receive all applications in the first instance and will then collate all the necessary information from the applicant ready for presentation and discussion at the appropriate Council meeting.

Organisations requesting financial assistance are required to complete all sections on the application form. The online version can be found online on the Parish Council's website - <https://www.houndparishcouncil.gov.uk/grant.html> where you can also print a paper copy. If you are unable to access a form online, please contact the parish office who will be able to provide a paper copy for you.

Where additional information is required in order to consider the grant application, applicants may be invited to meet with the Council to further discuss the application, prior to the grant being determined.

## **ASSESSMENT PROCEDURE**

2. Once the grants budget is exhausted, the Parish Council will only consider emergency requests for assistance
3. Each application will be assessed on its own merits. However, to ensure as fair a distribution as possible of available funds, the Parish Council will take into account the amount and frequency of any previous awards, and the geographical spread within the parish. Due account may also be taken of the extent to which funding has been sought or secured from other sources or fund-raising activities
4. The Parish Council may make the award of any grant or subsidy subject to such additional conditions and requirements as it considers appropriate. The Parish Council reserves the right to refuse any grant application which it considers to be inappropriate, or against the objectives of the Council
